† Daily Value not established

Our vegetable capsules are made from 100% non-animal material.

Recommended Use: Take one capsules one time daily with 8 fl oz of water or juice.

Warning: If you are pregnant, nursing, taking medications or planning a medical procedure, consult your health professional before use. Discontinue use and consult a doctor if any adverse reactions occur.

Do not use if inner seal is missing or broken. Keep out of reach of children. Keep bottle tightly closed. Store in a cool, dry place.

Manufactured exclusively for MannaRelief 3017 Red Hawk Drive **Grand PrairieTX 75052 USA**

This product is not intented to diagnose, treat, cure, or prevent any disease.

OMEGA - 3

Highly Concentrated Cold Water Fish Oils

MannaRelief Omega 3 provides a higher concentration of omega-3 fatty acids than standard fish oil capsules.

MannaRelief Omega 3 comes in smaller, easier-to-swallow softgel. It is free of toxins, is odorless, and minimizes aftertaste and reflux. No Smell. No Taste. No Burp

The Importance Omega-3 Fatty Acids

Omega-3 polyunsaturated fatty acids (PUFAs) are considered essential fatty acids, because the body's ability to synthesize them is limited. They are essential to human health, and it is now recognized that EPA (eicosapentaenoic acid) and DHA (docosahexaenoic acid) have to be consumed as part of a normal diet. Fish and fish oils are rich in these long chain omega-3 fatty acids.

Benefits of Omega 3 Fatty Acids

Omega 3's are an integral part of cell membrane throughout the body and affect the function of the cell receptors in these membranes. They provide the starting point for making hormones that regulate blood clotting, contraction and relaxation of artery walls, and inflammation. They also bind to receptors in cells that regulate genetic functions. They play a key role in helping the body to control chronic "low grade" inflammation, known today as a core cause in practically every known non-communicable disease, and provide essential support for the body's normal functions of recovery and repair.

MannaRelief Omega 3 - an Excellent Source of Omega-3 **Fatty Acids**

- Easy to Swallow
- Contaminant-Free
- Has Superior Stability
- No Smell. Neutral in Taste
- No Mercury or Heavy Metals
- Keeps Levels of Trans Fatty Acids Low
- Made From Concentrated Cold-Water Fish Oils
